Communicate to your employees that there is more to their total compensation than direct pay alone…

As an on-demand, web-based program, the Professional Edition of TotalCompBuilder.com creates professional, one-page online and print total compensation statements quickly, easily and cost-effectively.

Your statements can include:

- Personalized Welcome Message
- Three (3) Cash Compensation Programs
- Ten (10) Benefit Programs
- Total Compensation Value
- Time Off Compensation
- Retirement Contributions
- Create a personalized website for each employee

With the Professional Edition you can:

- Create a personalized print statement for each employee
- View and print statements 24/7/365
- Update data throughout the year
- Create new hire or candidate statements as needed

To start communicating to your employees that there is more to total compensation than salary alone, visit…
